

Application No. 10/651,448

**Amendments to the Claims**

This listing of claims will replace all prior versions, and listings, of the claims in the application:

1. (Original) Magnetic work apparel comprising:  
an elongated belt member having two opposing ends with mating fasteners adjacent each end for securing said belt about a wearer's waist;  
at least one magnet embedded within said belt member;  
a plurality of fasteners positioned on said belt member;  
a magnetic accessory apparel item removably securable to said fasteners.
2. (Original) The magnetic apparel according to claim 1 wherein said accessory item comprises:  
a glove having a wrist portion, a hand portion extending from said wrist portion, said hand portion including a backhand portion with a magnet embedded therein;  
a fastener means positioned adjacent said wrist portion for mating with said fastener on said belt to secure said glove thereto.
3. (Original) The magnetic work apparel according to claim 1 wherein said accessory item includes a belt clip having a magnet embedded therein.
4. (Original) The magnetic work apparel according to claim 1 wherein said accessory item includes a wrist band having two opposing ends, each having a mating attachment means adjacent thereto for securing the wristband about a wearer's wrist, said wristband having a magnet embedded therein;  
a fastener means positioned on said wristband for mating with said fastener means on said belt.
